My dear parishioners,

We are celebrating the Solemnity of the Most Holy Body and Blood of Christ, also known as the Feast of Corpus Christi. Saint Paul in the First Letter to the Corinthians 11:24 quotes our Lord Jesus as saying "This is my body that is for you." That is the reason for his body, the reason for his incarnation.

The Son of God, who loved us so much and who left us his Resurrected Body in the bread and wine. A Body that we cannot imagine, but that we can adore. In the way that the bread is one, we, although many, are one body, one Ohana, because we partake of the same bread. We are the Body of Christ, the Corpus Christi, together we form the Church, together we form the Body of Christ, we are one in Jesus the Christ.

My dear Ohana, the results of the colonoscopy I had, showed that I have diverticulosis of the left colon, a considerable inflammation of the colon and risk of ulcerating colitis. I am already receiving instructions of the course to take and have an appointment with a dietitian.

Thank you all for your prayers and many greetings from all my family. May God bless you all.

With love, Fr. Wilson.

FRANCISCAN MEDIA CENTER CONNECTS YOU TO THE HOLY LAND:

Achieving the goal of telling the story of the Holy Land through images, in order to give voice and visibility to the Mother Church of Jerusalem, to local Christians, and to the Holy Places, has become a reality through the new site of the Franciscan Media Center (FMC), the television and multimedia center of the Custody of the Holy Land www.fmc-terrasanta.org.

Through the new Internet site, which can be consulted in six languages (Italian, Arabic, Portuguese, English, French and Spanish), the FMC will bring the Holy Land closer to the many Christians, and others, who wish to know about, follow and stay in touch with the Land of Jesus.

Archaeology, news, culture, events, pilgrimages, ecumenism, inter-religious dialogue, faith...are just a sample of the many subjects

recounted on video news – published daily on the new site – and which also make up the “Terra Santa News”, a weekly news program broadcast in various languages by Catholic stations throughout the world.

The Center, born in 2008 and whose headquarters are in the New City of Jerusalem, is also able to offer direct transmissions of celebrations from the most important Sanctuaries in the Holy Land. Retransmitted by numerous television stations, the live broadcasts of liturgies from the Holy Places can now be seen via video streaming on the new website.

The FMC was a courageous choice of the Custody of the Holy Land, a necessary and imperative challenge which had to be undertaken in order that the Holy Places of salvation with all of their historical, cultural, human and spiritual vitality may continue to reach the far corners of the world.

Please spread the news and visit the new site often.

FROM POPE BENEDICT XVI:

Man is a being who bears within his heart a thirst for the infinite, a thirst for truth – a truth which is not partial but capable of explaining life’s meaning – since he was created in the image and likeness of God. The grateful recognition that life is an inestimable gift, then, leads to the discovery of one’s own profound dignity and the inviolability of every single person. Hence the first step in education is learning to recognize the Creator’s image in man, and consequently learning to have a profound respect for every human being and helping others to live a life consonant with this supreme dignity.
